

Welcome to Fourth Grade

Greetings and welcome to the fourth grade! My name is John E. Haynes and I will be your child's fourth grade teacher for the 2018-2019 school year. I look forward to helping your child learn new skills, both educational and social as they develop into strong intelligent young people.

This is my second year at C.E.E. My Teaching experience includes from grades two to eight but fourth grade is one of my favorite ages to work with. Before beginning my teaching career, seven years ago, I was in business management. My wife and I have been together for over 40 years and married for 38. We have one daughter who lives in Mesa with her husband and my only granddaughter Kyra. I am a singer / songwriter and enjoy using music in my classroom to help students understand concepts. My wife and I enjoy touring the country on our Harley Davidson motorcycle.

My goal is to not only help my students understand the concepts laid out by the AZ College & Career Readiness Standards but also help them understand how they can be productive contributing members of our community and society. I expect all of my students to work to the best of their ability. I believe that trying is the most important skill I can teach my students. You cannot succeed if you do not try.

What I ask of my students is simple, be respectful to everyone, learn not only from your successes and failures but also from the successes and failures of others. Have fun learning. This is a great time to be alive!

Here are a couple of important dates you need to know about.

Meet the Teacher Night - Thursday, August 2nd from 5:00-6:00

First Day of School - Monday, August 6th

Sincerely,

Mr. Haynes
