

Welcome to the 2018-2019 Middle School Year!

All summer, Mrs. Harmon, Mrs. Lewis, Ms. Nelson, & Mr. Norton have been planning and preparing for our upcoming school year! We are eager to kick off the school year with you all!

Be on the lookout for a note from your homeroom teacher in the mail soon! Student schedules will be disseminated the first day of school.

Mr. Norton joins our CEE team as the math teacher. With over a decade of highly effective teaching experience, Mr. Norton strives to provide each student with the opportunity for growth, knowledge, and the ability to apply mathematical concepts in a technological world. In his classroom, you will see Mr. Norton influence student improvement through quality lectures, discussions, hands-on assignments, and higher order thinking assessments. In addition to teaching at CEE, Mr. Norton is an active participant in both the National Council of Teachers of Mathematics and the National Science Foundation. Mr. Norton is excited to bring the world of math alive in his hands-on learning approach, and can't wait to get to know the CEE family!

Our Middle School Philosophy:

The mission of our middle school is to nurture the development of responsible, thoughtful citizens for life. In an increasingly interdependent global society we are creating environments in which students are challenged to explore, to create, to make decisions, and to actively participate in and be accountable for their learning.

Enclosed, you will find this year's supply list. We also ask for a \$60 Educational Supply Fee which helps us purchase classroom periodicals and classroom supplies.

We look forward to seeing you at Meet the Teacher Night on Thursday, August 2nd, from 5:00-6:00pm.

Our first day of school is on Monday, August 6th with a normal 3:30pm dismissal!

Mark Your Calendars:

Our 6th, 7th, and 8th graders are heading up to Camp Tontozona September 12th-14th!

Enjoy the rest of your summer!

Mrs. Harmon, Mrs. Lewis, Ms. Nelson, & Mr. Norton
