

Welcome to Mrs. Wolfgramm's Wolf Pack

Welcome to fourth grade! My name is Jan Wolfgramm and I will be your child's fourth grade teacher this year. I look forward to getting to know your child and helping your child learn new skills this year.

This is my first year at C.E.E. and my 28th year as an educator. I have taught grades 1st through 8th, I was an educational technology coach for 15 years, and I have taught at ASU Mary Lou Fulton College of Education. I have a Masters degree plus 35 hours, and I have the following endorsements: Computer Science, General Science, Early Childhood, and ESL. Technology and Science are interest of mine; I have a minor in Biology and a Masters in Educational Technology.

I am the mother of 7, and grandmother of 17; my husband and I celebrated our 50th wedding anniversary this summer. Our family has lived in the Fiji Islands twice for a total of 8 years. I love to garden and read; I am learning to weave, and I enjoy learning new things.

My expectations of my students are to be respectful to all, come ready to learn, and be prepared to learn from success as well as failures. I believe we can achieve anything as long as we try.

Please join us for *Meet the Teacher Night* on Thursday, August 2nd from 5:00-6:00.

Our first day of school is Monday, August 6th.

I look forward to meeting each of you and working with your child this school year.

I have attached a classroom supply list that includes a \$40.00 donation for educational supplies and periodicals for the classrooms. You may bring this to Meet the Teacher Night.

Thank you,

Jan Wolfgramm
